

End User Statement Review Instructions

In order to be efficient as we can in providing service to you, please follow these simple instructions.

1. Fill in the date, the order or quote no. (check the correct box) and the name of the sales representative, in case of possible follow up questions.
2. Please fill in the "Bill To" section, and then the "Ship To" section, if different.
3. If your enquiry is for a stock part, please complete Sections 1 and 2 of this form, and sign the declaration. If your enquiry is for a custom part, please complete Sections 1 and 3 of this form, and sign the declaration. If your enquiry includes both standard and custom parts, please complete a separate EUS form for each type.
4. If the "Bill To" and "Ship To" parties are not the final destination for the goods, please provide the final destination and the end user of the products in Section 1.1. The end user is the person or entity who will be the final receiving party for these goods.
5. In Section 1.2, please place a check mark next to any of the countries to which you intend to ship these products. If none of these apply, please check "None of the above".
6. In Section 1.3, please check the box that best describes the type of products that your enquiry concerns.
7. If this is a custom product, please fill in Section 3 with as much detail about the end use application as possible, as this information is used to determine Edmund Optics' licensing obligations. If the product (or a similar version) is advertised on your website, please include a link.
8. Please list the countries to which this product will be shipped (not just those listed in Section 1.2) and check the box next to any of the "End Application" sectors relevant to your application. If none are relevant, please check "None of the Above".
9. Finally, please read and sign the Declaration on page 3 and return the completed form to us.
10. If you have any questions, feel free to contact our Product Support or Customer Solutions Representatives at any time!

End User Statement Review

Thank you for contacting Edmund Optics. As a Global Corporation with headquarters in the United States, we are required to comply with all U.S. Federal Requirements in addition to local Rules and Regulations wherever we do business. These Regulations require that we obtain the final destination for all 220-volt items sold in the US and/or any items being shipped to intermediate destinations or through freight forwarders, brokers, resellers etc. We must also determine the end-use application and final destination countries for all customised products. We therefore have a few questions we must ask you before we can complete the processing of your order/inquiry. Thank you for your assistance!
